

BANISH SCROFULA

Hood's Sarsaparilla Cleanses the Blood. Skin Troubles Vanish.

Scrofula eruptions on the face and body are both annoying and distressing. Many a complexion would be perfect if they were not present. This disease shows itself in many ways, as bunches in the nose, inflamed eyelids, sore ears, wasting of the muscles, a form of dementia, and general debility.

Ask your druggist for Hood's Sarsaparilla. This great medicine completely eradicates scrofula. It cures and purifies the blood, removes humors, and tones up the whole system. It combines the special training, experience, and skill of Dr. Hood, a pharmacist for life, seven in its quality and power to cure.

Scrofula is either inherited or acquired. Better be safe than sorry and free from it. Get Hood's Sarsaparilla and begin taking it today.

A HEAVY BURDEN

A Bad Back Makes Life Miserable For Many Guthrie People.

A bad back is a heavy burden. A burden at night when bed-time comes. Just as bothersome in the morning. Ever try Doan's Kidney Pills for it? Know they are for kidney backache—and for other kidney ills. If you don't, some Guthrie people do.

Read a case of it. Mrs. J. L. Bartlett, 22 E. Main St., Guthrie says: "I was troubled a great deal by pain and aches across my kidneys and my back was so weak that I could hardly get around. I got Doan's Kidney Pills at the Corner Pharmacy and they completely cured me."

A PERMANENT CURE
AFTER A LAPSE OF MORE THAN FOUR YEARS, Mrs. Bartlett says: "Doan's Kidney Pills cured me of a distressing case of kidney and bladder trouble and I have been in good health since."

Price 50¢ at all drug stores. Don't simply ask for a kidney remedy—not Doan's Kidney Pills—the same that Mrs. Bartlett has twice paid for recommended. Foster-Millburn Co., Props., Buffalo, N. Y.
